President's Message – October 2018

Our opening luncheon is always a fun way to start our year. I am sorry I wasn't there to welcome everyone, but I know our Hostesses, Joette Gross and Nancy Palmquist, and Board Members did a great job. A big "Thank You" to Mary Henigar for filling in for me at the luncheon.

If you could not attend, there's still time to join a group activity. Just call or e-mail anyone on the Board for more information. Thanks to Sandi Kogan (Records) for coordinating the activity group registrations. Thanks also to Michele Workman, our Photographer, who was on hand to take pictures for our Directory.

Special thanks to the following ladies who have been super busy handling our membership renewals and new membership drive: Pat Clegg & Vicki Lamb (Name Tags and Membership), Gwen Gardner (Treasurer), Sandi Kogan (Records), Roseanne Boyle (Tattler articles/new member process) and Betsy Ingram (postcard printing and mailing). Great job ladies!

The Service Project Group starts up again on October 16 with the Shoebox Project, and Mary Henigar will be coordinating this project at her home. If you would like to participate in this very important aspect of our club, please call Mary at 602-954-8282. We are a Service Club, as well as a Social Club, so all members are encouraged to help however they can.

Our next luncheon is at Natalino Italian Restaurant, and I know I'm looking forward to a great Italian meal! Our Program speaker is local author and Sunnyslope historian, Riba Wells Grandrud. This should be of particular interest to our members, since our largest service project of the year is providing Christmas for underprivileged families whose children attend the Sunnyslope Elementary School.

I hope to see you at Natalino next month. **HAPPY HALLOWEEN AND HAPPY FALL!**

Sincerely,

Bev Carkeek

2018-2019 MVWC President / Phone: 602-993-7805 / Email: bcarkeek@cox.net

We are switching from clip on to magnetized style name tags this year. **IF YOU HAVE A PACE MAKER**, please call Pat Clegg at 602-525-0566 or Vicki Lamb at 602-368-1894 and advise them so accommodations can be made.

Our November speaker, Reba Wells Grandrud, Ph.D., is a local author and historian, who came to Phoenix from Albuquerque, NM, in 1982, and for the next 30-plus years has been involved in historical research, writing and publishing. She has served on a variety of boards, is a member of numerous historical societies, and holds degrees from the University of New Mexico in education, Southwest history, and history of the American West.

Known as a "Road Scholar," Grandrud has a unique ability to bring Arizona history to life and has worked with multiple organizations, including the Partnership for National Trails System, Old Spanish Trail Association, Arizona History Convention, Westerners Corral, Pioneer Cemetery Association, and the Sunnyslope Historical Society.

Grandrud co-authored an award-winning Arizona Centennial Legacy book, "**Addie Slaughter: The Girl Who Met Geronimo**", and her other book, "**Images of America: Sunnyslope**", will be the focus of her presentation to our group in November. Founded in 1911 by William R. Norton, Sunnyslope is older than the State of Arizona. Annexed by the City of Phoenix in 1959, Sunnyslope retains its unique identity to this day. We hope you will join us for what promises to be an informative and compelling talk.

Desert Mission Food Bank Food Drive: Our club is proud to have partnered with Desert Mission many years, providing non-perishable food donations, and our annual food drive will soon be underway again! The top five most needed food items are: canned vegetables/fruit, canned soups/stews, pasta/rice, peanut butter and canned tuna/meat. According to Desert Mission, statistics show:

- ▶ Currently 1 in 4 children and 1 in 5 adults in Arizona live in poverty.
- ▶ 1 in 6 Arizonans are food insecure, meaning they do not know where their next meal will come from.
- ▶ Nearly 2 million Arizonans are considered working poor, living at or below 100 percent of the Federal Poverty Level (FPL). This equates to an annual household income of \$22,350 or less for a family of four.
- ▶ Food insufficiency in Arizona is a direct result of an inadequate living wage: 74 percent of emergency food clients live at or below 100% of poverty level.
- ▶ 43 percent of clients were forced to choose between paying for food or paying for shelter.

Desert Mission helps combat hunger by bridging nutrition gaps that negatively affect the health and well-being of local residents in need. In 2017, 36,529 people received nutrition assistance from Desert Mission, including 11,452 infants and children.

Non-perishable food donations can be brought to the December Luncheon on December 13th, or beginning December 5th, items can be left at Lin Felix's home (218 W. Braeburn Drive), in her front courtyard – no need to ring the bell.

For more information, contact **Karin Schardt**, Food Drive Coordinator, at ks2phx@cox.net or 602-402-0506. Thank you for your support!
