President's Message

Happy February!

There are so many exciting things happening in our Club as we head into Spring. One of them is that we have officially expanded our geographical boundaries south of Thunderbird Road! Our neighbors in Gold Key/Heritage Highlands/Moonridge Estates will no longer need a Sponsor to join the Club!

We had a wonderful turnout for our February Luncheon, where we celebrated our Members who are past Club Presidents, and enjoyed an informative and engaging presentation by our very own Dina Taylor and Barb Nicholls!

The enthusiasm and engagement of our Members has been such a great part of my year as President, and we have a great lineup of Luncheons and evening Events planned to close out the year. Please plan to attend the Social at Half Moon on February 21st to help us welcome our newest Members. We had a great time there in October, and have over a dozen more New Members who have joined since then.

In addition to the Classy Cooks Dinner raffle, the Fundraising Committee is hard at work planning a fundraising event in conjunction with the April 11th Luncheon. The money raised with both of these activities will help the Service Project fund the Member-supported Large Grants in the Fall. The Committee needs not only donated items, but enthusiastic buyers/bidders at the Luncheon. Please plan to attend!

It's hard to believe that we're closing in on the end of the Program Year. Next month we'll be rolling out the 2024-2025 Membership Form, as the Club gets ready to celebrate 54 years! It warms my heart to see MVWC absolutely thriving, and all of you are such an important part of that. We're combining the membership and volunteer forms this year to make it easier to sign up to join a Committee or volunteer to support the Club in other ways. We can always use your help, so I hope that you'll consider signing up when you fill out your Form!

Don't forget, my inbox is always open at moonvalleywomensclub@gmail.com

Warm Regards,
Pam Gill

Matinee Friends

Submitted by Carol Janoff

The light rain on Sunday afternoon, **January 21** did not deter four Matinee Friends from driving to Peoria for the Spotlight Youth Theatre presentation of "**Anastasia: the Musical**". Inspired by the Disney film, it was the story of a brave young Russian woman in her quest to discover who she is. The story takes her to Paris in the 1920s, accompanied by a dashing conman and a lovable ex-aristocrat. The story begins in truth, with the murder of the Tsar and his family and becomes a fairy tale search with a happy ending. The teen actors were extremely talented,, especially the young lady playing Anya/Anastasia who also had a beautiful singing voice. It was impressive what these players did with a small stage and limited scenery. Scene changes were smoothly choreographed as well. We were even treated to a brief ballet. This was a lovely musical about discovering who you are and who you're meant to be.

Six Matinee Friends went "On the Town" Saturday afternoon, **Feb. 3**. Our destination was the Arizona Broadway Theatre in Peoria where we enjoyed a delicious lunch with very attentive service and the musical "**On the Town**". New York, New York; it's a helluva town! We traveled back to The City in 1994 with three curious US Navy sailors in search of landmarks, fun and girls. With

Big Apple, Ozzie found well as interesting mance. The cast reography gor-original work of the music won-songs written by the musical were

only 24 hours to hit the Gabey, Chip, and points of interest as ladies for ro- was fantastic, the cho-geous (inspired by the Jerome Robbins), and derful. Most of the Leonard Bernstein for omitted from the mov-

ie; we were glad to hear the show as written. It was a thoroughly enjoyable afternoon.

Museum & Special Events Group

Submitted by Jackie Gentner

The MVWC Museum and Special Events Group visited the Martin Auto Museum on January 16. We were pleased to have docents from the museum that were very knowledgeable and well versed in the history of the museum and the vehicles. The Martin Auto Museum was created in 2005 by the owner and founder Mel Martin. Mr. Martin saw a need to share a collection of vehicles that represent significant periods of automotive history. The museum features classic cars, hot rods, custom vehicles, imports, auto memorabilia, antique gas pumps, signage and more. We had the opportunity to see vehicles that were owned and driven by well-known people such as Al Capone, Red Skeleton, and others. The facility is immaculate and you can see staff continuously polishing vehicles, putting air in tires, etc. It must take an abundance of time and great effort to maintain all those vehicles. Our group greatly enjoyed this outing and would highly recommend anyone interested the history of vehicles visit this museum. It was very interesting and the staff is friendly and we went to lunch at the Abacus Inn Chinese restaurant. Everyone enjoyed Good food and very accommodating. It was a great day!

The Hardcover Girls Book Club met on Jan.22nd at the home of Debbie Schaub to discuss the book American Woman by Susan Choi. Though many of us didn't like the book, Kristin led us in a lively discussion about Patty

Hearst and the turbulent times of the 70's in the United States.

Mary Harris, who grew up in the UK, said she learned a lot about that period of time in this country while reading the book.

Did you know that we have a waterfall right here in the middle of town? **Arizona Falls** is located at Indian School Road between 56th and 58th Street, adjacent to the G.R. Herberger Park. This is a little gem that Phoenixians have been enjoying for years and years. Arizona Falls is the first hydro- electric power plant in Phoenix; has a 20-foot drop waterfall that generates renewable energy for power and feeds into the Arizona Canal for distribution to provide water to nourish agriculture, water gardens and landscapes. After our visit to Arizona Falls, we went to lunch at Chelsea's Kitchen. Good food and great service. We had a very enjoyable day!

The Moonlight Mixer inaugural event was a massive success! Huge congratulations to **Sue Wilk** who won the \$300 organizational package from **Organizing by Bridges**.
